Karoo Kudu Lager

R90

This lager is crisp and refreshing, yet full of flavour, with a lingering aftertaste. This is achieved by using the best Pilsen Malt in combination with Lager Malt and Lager Yeast, finished off with just the right amount of a proudly South African hop, Southern Aroma, to give that distinctive lager taste.

The Rhino Lager is an easy-drinking 2.5% ABV beer with malty notes from the addition of Crystal Malt to Lager and Pilsner Malt. For every Rhino sold, a donation goes to a rhino rehabilitation organisation.

Karoo Ram Stout

R90

The Ram Stout is made from a variety of malts, including imported chocolate malt and oats. The beer is full-bodied with prominent coffee and chocolate notes, which make it a perfect companion for any time of the day.

Karoo Weiss Oryx

R90

The Oryx Weiss is brewed using a combination of Pale Malt and Wheat Malt, with aroma hops added in the boil. A specific yeast strain and a high fermentation temperature of 23.5 °C produce a fruity Weiss with banana, pear, bubblegum, subtle clove and spicy notes. The Oryx has a fair amount of carbonation, which makes it a very refreshing beer.
